Please contact DATCP and let them know that we will be rescheduling this for a later time.

For your information, I am looking at rescheduling the WDNR meeting too for a time next week or the week Dec. 14<sup>th</sup>. This would be to talk about programmatic and grant matters but also to discuss at a high-level communication on the Tower Standard site.

Mike wants to go the DATCP meeting and he will be on leave starting the 21<sup>st</sup> so we may have to reschedule the DATCP one until later. I'm checking with him to see if he wants to go to the DNR end of year.

It seems like we should plan to drive up on December 21<sup>st</sup> in the morning, meet with DATCP at 2-3:30, stay overnight on the 21<sup>st</sup>, meet with DNR on December 22<sup>nd</sup> in the morning, and then return to Chicago in the afternoon. I'm checking to see if Mike or Gary want to attend but I think we should go ahead with planning this.
